SALVATION PRAYER:

“Will I go to heaven when I die? Can I have peace and blessing in my life? The answer is YES - by asking Jesus to be your Lord and Savior. Pray a prayer like this... “Dear God, I am a sinner, separated from You.

I am sorry for my sins and I ask you to forgive me. I accept Jesus as my Savior and the Lord of my life.

Thank you Jesus for dying for me on the cross so I can have peace in my life and a home in heaven to live forever with You. Help me Holy Spirit to live a life pleasing to God, my Father. In Jesus name, Amen.”

If you've prayed this prayer, please contact anyone listed on the Directory at the back. We would love to pray with you and send you a free Cowboy Bible and some literature to help you get started on this exciting journey.”

“I HAD NOTHING. I WAS CLEANED OUT. THERE WAS NOTHING.”

BY ED PRESTON

The first realization that I had any spiritually at all was when in 1985 when I joined AA. About a year and a half after that I went and gave my life to the Lord as I understood him at that time. Then I began to make amends to the people that I hurt to the best of my ability. I started a prayer life that I had never had before. Just simple little prayers. I used the Lord's Prayer because we learnt that one in school. I used that because I didn't know anything else to use. There is also a prayer in the book of AA that I use started to use regularly.

I met up with the minister of the Full Gospel Church and he explained to me about Jesus and the salvation that he offers to us, and how we give him our lives. So I did it that day with him. We prayed together and I accepted Jesus into my life as my saviour. I talked to another person and told them what I had done. That was suggested to me as well. So Since that time I have been quite comfortable in as much as I know.

I started travelling with John and Elona and the Christian Cowboys to rodeos, different concerts, old folks home and that sort of thing. I listened to John preach and I also went to a bible study with some other folks and that's when I started

to learn and accept more. You know they say that a person who has not turned their life and their will over to Jesus does not understand, and that's true. It's kind of garbled to them. It was for me for a long time. I can't see well enough to read anymore so I learn everything off the radio or tapes, and by going with the Christian Cowboys and attending different church services. I have the bible on CD and tape as well.

I certainly know that my life is much better. I just have to thank the Lord for his blessings and everything that I have. When I came into the program of AA in 1985 I had nothing. I was cleaned out. There was nothing. I was mentally and physically a disaster. I couldn't work. I couldn't get a job. So it was quite a long haul.

Everything good that has happened to me is because of The Lord. And I know it. I have a wonderful lady named Faye who I share my life with. We have been friends for more than forty-five years. The Lord has given me such a good life. I have to admit that sometimes I'm not always grateful with everything that comes up and I can get kind of sour and grumpy. That's when Faye will tune me in and tell me to

smarten up. But really everything that I have today I owe to the Lord, and to the people that the Lord has touched prior to my coming into the Fellowship of Christian Cowboys.

I also find that if I don't pray in the morning when I get up going or if I'm in a hurry and don't pray my day is not so good. I am a whole lot better off if I just take a few minutes, it doesn't have to take very long. One of my favourite prayers is "The Spirit of the Lord Goes before Me." The spirit of the Lord goes before me. Making easy, joyous and successful my way. I am so grateful.

There is a way out it. It is a spiritual way of life. It is one day at a time and just living the best way you know how. Clean up the mess that you made and go on from there. Learning a spiritual way of life in my opinion is the only way of doing it. I am not always successful at it. I am a long way from being there.

I think anything worthwhile is tough. It takes some time but I recommend it to anybody that has a problem. You can solve anything through prayer.

*"The Spirit of the Lord
Goes before Me."*

REPORT

FROM JOHN FITZHERBERT

Hi Folks!

Since the last magazine we have seen a big change in our weather here in Southern Alberta from having no rain in April, May or June to a lot of rain in July and August with lots of showers in September. Not much first cut hay but some second cut is quite good in places. Grain crops are mostly good to bumper when they get them in the bin. Greenfeed looks great if the showers will stop. Pastures are green not brown as they sometimes are at this time of year. What looked hopeless has turned right around. Years ago I was in a gift shop in Manitoba.

I saw someone had made clocks out of the old mower and binder seats from the horse drawn era. The idea stayed with me so about twenty years ago I started to make some. It was a lot of work because most of the seats I got were very rusty, dirty and pitted. I filled them with body filler from the automotive industry then sanded for hours to get a nice smooth finish. I then painted the appropriate color if it was to be a John Deere or Case or perhaps a Massey Harris. Next I put on numbers, a decal and added a clock motor and they were done. I sold some but mostly gave them away to friends. Some of you reading this have one hanging on a wall somewhere.

Last week I come across one that needed redoing. It had gone through the flood of 2013 and had been put in storage along with other stuff. It was dirty, scratched, scraped and the motor was seized as well as the numbers were all gone. A bit of body filler, some sanding, new parts and it will be as good as before and ready to hang on the wall.

When I first saw the clock it made me think of us as Christians when we first come to the Lord. We had lots of ugly stuff hanging on us just like the clock, but the Lord cleaned us up and made us a new creation, something useful that He could use. Sometimes it seems as we live our lives amongst all the evil things going on around us that things that hinder our walk with the Lord enter in Mark 4:19

put it better than I could “And the worries of the world and the deceitfulness of riches and the desire for other things enter in and choke the word and it becomes unfruitful.” We find ourselves in need of another cleaning just like the clock that came back. God is so merciful that as we submit to His Spirit and His cleansing we can get right back to doing what we should be doing for Him. That is a sermon in a nutshell for this time.

We started off our first rodeo Cowboy Church for the year in Medicine Hat with a good crowd and a nice warm day for April. Almost a month later we were at Caroline with a cold rain coming down, nobody at the grounds except the rodeo contractors and a few workers. They were glad to get in the tent where it was warm. The tent collapsed in one place and poured water on some of us and our instruments. We held it up while some men tied and zipped the hole shut while we sang the chorus “With my hands lifted up and my mouth filled with praise.” Before we left there, snow was about one inch deep and coming down hard. Cowboys are tough, they still had the rodeo. That was just two rodeos. I will report on some of our other places later.

Some of you folks from other provinces will be coming to the Edmonton Expo Center Canadian Finals Rodeo in Edmonton on Sunday, November 13th. Cowboy Church will be in the big building south of the building where they have the rodeo, in room 108 and 108A – 10:00 am to 11:00am. Please come and take it in. This is the only time once a year that we get to see some of you.

GREETINGS FROM MANITOBA

TERRY BAKER

Yet another season has come and gone, can't believe that summer has passed us by. Having a busier than usual summer might have had something to do with it!!! I have been riding pretty consistently at a community pasture since May and will continue there until the end of October... hence the busyness. All the rain we have had, has made for more treating, but PTL I did manage to get the majority of my hay up in good shape. Just waiting on the farmers to get their crops off, then I can get the rest of it done.

The chapter has done some church services with more on the way as the different rodeo associations have their finals. Once again, we had an awesome Western Gatherin'... Donna has included a summary with pictures and all. Our newest director, Heath Butler is very involved with his local fair board and invited the chapter to participate in the Roblin Ranch Rodeo. So we manage to put a team together consisting of Dwayne & Mary Whitehead, our daughter Katelynn Klassen and myself (Heath had a team with some of the local cowboys). It was a lot of fun and we must have done pretty good, as they invited us back for next year.

Being a rancher, and spending time riding at the community pasture, I know the importance of gates and the inconvenience of when they are left open... especially when they are suppose to be closed. Sure makes for a lot of extra work!!! This has happened on more than one occasion at the community pasture. We head out to a particular field, only to discover the cattle are gone or they seem to wander away as we are moving them. The fences are real good but if the gates aren't closed, a good fence doesn't do a lick of good. The cattle are just going to walk through the open gate and end up in a place where you don't want them to be. I believe that our lives can be like that...we leave gates open and things come into our lives that shouldn't be there. Many Christians just assume that God will take care of us, with nothing needed on our part. This can cause us to let our guard down and that gate we thought was closed, was in fact left open.

Being a Christian is like having a good fence, once we have accepted Jesus Christ as our Lord and Savior, we have our salvation through Him. This is what God has done for us...He has made a way for us to come to Him. This however is only the beginning. As I said earlier, a good fence is an absolute must in maintaining a pasture, just as our salvation through

Jesus Christ is an absolute must. But when the gate is left open, the cattle begin to wonder away and how we choose to live our lives can leave gates open causing us to wonder away also.

Those who do the will of the father (Matt 7:21) are the ones who are keeping the gates closed. In my opinion one of the best ways to keep the gate closed (on track with the Lord) is through Prayer. "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your request be known to God", Phil 4:6. So in all we do in life, we should do through prayer. I always pray as to when I should sell the calves and have always been blessed. When praying for the cowboys behind the chutes, they say its better to pray ahead of time for protection, than after for healing and I have seen many testimonies of that as well.

God's word is full of prayers for protection, my favorite is Ps 91. How many of us are praying prayers like this over our families? God's word says, "you have not because you have asked not", James 4:2. And Mat7:7,8 says, "Ask and it will be given to you, seek and you will find, knock and it will be opened to you, for everyone who asks receives and he who seeks finds and to him who knocks it will be opened". This is no name it and claim it message, but rather one of getting people to pray and trust in God's word. Ps 91:4 says, "God's truth shall be your shield and buckler". That means God's truth; His word, is what will protect us from harmso find out what you need in God's word and pray it.

I find that a lot of folks will pray after trouble has come their way, that's like closing the gate after the cows have got out and the damage has already been done. Yes, God can work through our troubles but doesn't it makes more sense to do what it takes to avoid it in the first place. God 's word is like the gate, we need to use it to keep in the good things like righteousness and keep out the things that come against us. I hope this has encouraged you to praying for your families and those around you. We all need salvation, wisdom, health and the blessings the Lord has for us all. Be an encourager to those around you!!!

Blessed are those who trust in the Lord

AND FELLOWSHIP OF CHRISTIAN COWBOYS TEAM ROPING CAMP 2016

Another year and another camp and jackpot are in the books. The McCarroll family at Camrose, Alberta hosted their 20th annual Fellowship of Christian Cowboys jackpot, brunch, and church service on August 21st. There were 87 teams in total for the jackpot this year. The results were as follows:

- 1st Vince Flynn and Garry Fecho 35.99/4 for \$510/man + Olson Buckles and leather Bibles donated by FCC
- 2nd Marvin Kleinbert and Gerard Sevcik 41.54/4 for \$420/man + Trophy Breast Collars donated by FCC
- 3rd Vince Flynn and Blaine Szott 43.28/4 for \$330/man + Trophy Knives donated by Steve Gross family
- 4th Cody McBride and Kyle Pushie 43.69/4 for \$245/man + Hats donated by Gary Gross
- 5th Dave Hovde and Tom Moore 57.23/4 for \$160/man + Classic Ropes
- 6th Frank Mitchell and Roy Duncan 68.05/4 for \$90/man

Thank you to everyone that helped make this event possible and thank you to the ropers for attending.

The team roping school was held on Saturday, August 20 and there were 35 students in attendance. Numbers were down somewhat this year due to a busy schedule on the weekend as many jackpots and other events got previously rescheduled due to rain. With the smaller numbers, all students were able to get ample instruction from Brett, Justin, Cody, and Dirk McCarroll. Several students had the opportunity to catch some of their first "steers" on the "Heelomatic." The school included a rope-with-a-pro jackpot in which Ethan Dueck was declared the champion, Anne Flynn was 2nd place, and Mark Peters ended up 3rd place amidst the 20 teams entered. As always, the "little red" dummy roping jackpot was a crowd favorite. Two loonie jackpots were held with over 100 teams between them. Coy McCarroll, 4 years old, was the champion of the first jackpot with a blazing time of 21.1/3 with Mark Peters for a grand total of \$11. He figured he could get at least 2 happy meals for that kind of money! The champions of the "Heelomatic" jackpot were 8 year old Caleb Fawcett on the heading side and Anne Flynn on the heeling side. Several prizes were given out throughout the weekend and fun was had by all.

The main theme for the weekend was that God is our creator and he loves and wants to be in relationship with us. The Gospel was presented in simplest terms and that which makes a person a Christian was presented very clearly; we are created by God, God loves His creation, we are sinful beings, we need a Savior, Jesus Christ's sacrificial death atoned for our sin, this is the Good News!, we can live with faith, hope, love, joy, and a real purpose for now and for eternity because of what God did for us through Jesus Christ our Lord. I believe that often, when the Gospel is presented, people tend to add a whole list of "here's what a 'good Christian' ought to do's" to their message. This is called legalism, plain and simple, and it is not part of the Gospel Good News. The explicit Gospel is what changes a person. The individual that is saved or becomes a Christian by accepting Jesus as Lord and asking forgiveness for their sin will then begin a process of living as a new creation in Christ with obedience and allegiance to Jesus as their highest goal in life. The Gospel states that to be in relationship with God and to love Him and enjoy our relationship with Him is our highest and most joyful end for now and for eternity. No denomination or political camp "owns" the Gospel. The Gospel is not about following any sort of rules or regulations or voting a certain way.

Whenever we pledge our allegiance to anything in this world other than Christ, we are aligning ourselves with something that is broken and sinful. Only God is good. The Gospel is all about the cross of Christ which has the power to save a life for eternity and change a life for today. The Gospel has little to do with safety, security, or comforts in this earthly world. Actually, Jesus prepares his followers to expect pretty much the exact opposite. But, we can (as Christ followers) rightly look forward to utmost peace, comfort, joy and discovering our true purpose once we reach heaven. What a glorious day that will be.

Lord willing, we will be writing another follow-up article to our 21st annual Anchor J Ranch team roping camp and FCC jackpot next year. Until then, God bless you as you focus on the Gospel remembering that it alone has the power to transform and heal this broken world.

Brett McCarroll

The Benefits of Giving

THANK GOD FOR THE GIFT OF POWER HE HAS GIVEN US.

by John FitzHerbert

Last issue I wrote about the power of the Lord. I will continue on this topic. In Mark 3:13 Jesus went up on a mountain and called the twelve disciples to Him Verse 14, and then He appointed twelve that they might be with Him and that He might send them out to preach and to have power to heal sicknesses and to cast out demons. Jesus had this power and he transferred it to the disciples. After Jesus went up to be with His Father the Holy Spirit came - Acts 2 - to give this power to mankind. People were amazed when they saw the power of God given to men in Matt 9:18, referring to Jesus.

Many years ago at the Agribition Rodeo in Regina in the bull riding they had just bucked a bull and the pickup men and clown were trying to get him out of the arena. The bull came by the front of the chutes so everyone climbed up on something. One of the gate men was just reaching for a gate to get up on it when another bull that they were trying to load in the bucking chute hit the gate and it sprung open hitting him on the head. He fell to the ground bleeding badly. People gathered around him to see what they could do, when the first bull came around again heading straight for the people standing over the injured man.

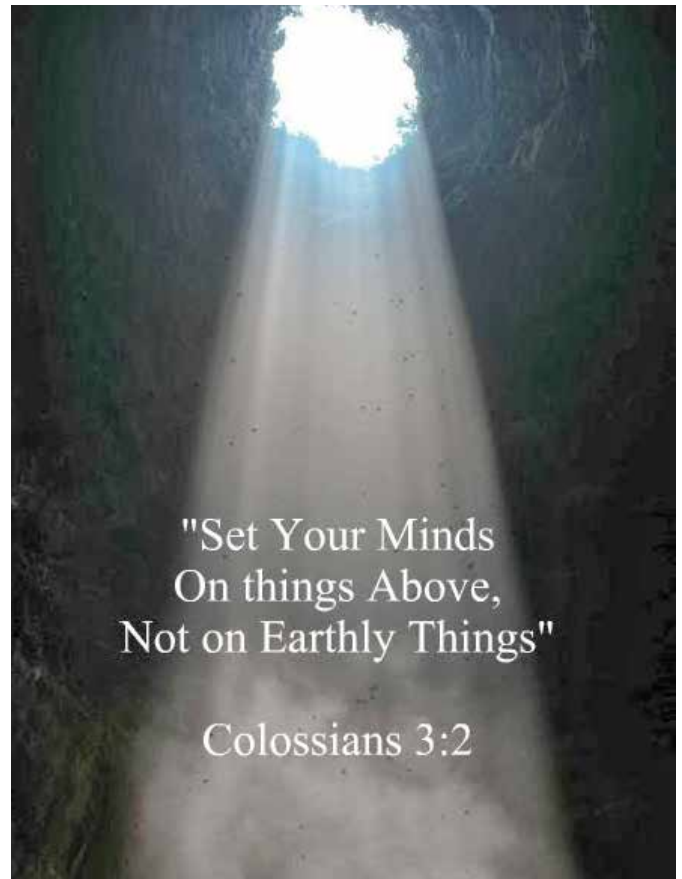

Two Christian men, the chute boss Coy Huffman and the judge Phil Doan stood between the bull and the people and put their hands out and said "In the name of Jesus stop." To my surprise (and most of the crowd), the bull slid to a stop, turned around and went to the other end of the arena and jumped in to the calf pens and stayed there. These men knew the power that is in the name of Jesus and were not slow to use it. Sadly the man on ground was dead. I think The Lord must have sent a big angel to stand in front of that bull when those men put out their hands and commanded the bull to stop. The bull could see it but no human eye could. Like the time in Num-22 when Balaam's donkey could see the angel of the Lord but no human eye could until the Lord opened them.

Hosea 4:6 tell us my people (that is Christians) are destroyed for the lack of knowledge. This is lack of knowledge about our Lord and his ways, how He wants us to live, how he wants us to use the gifts that he has given.

It is surely not worldly knowledge that we are lacking, we can find out just about anything we want just by pushing

a few buttons on our computer or phone. God made His power available to His children, but not all use it or have it. Some people don't want the Power of God operating in their churches because when it comes man is not in control but the Holy Spirit is. Many shun the power of God because of wrong teaching saying that any manifestations of the Spirit stopped when the disciples died.

This is not true because Paul who wrote most of the New Testament did not walk physically on this earth with Jesus, he came on the scene after the death of Jesus. He wasn't even in the room where the one-hundred and twenty received the Holy Spirit, yet he used the power of God to teach, to write, to heal and to perform miracles just to name a few of the things he did. Still others will not allow the power of God because of ignorance to the Word, they don't read the Word, they just go by what someone else has taught them and don't look for themselves. This power of God cannot be bought or sold, it is a gift from God to edify or lift up the body of Christ.

Not on Earthly Things"

Western Gatherin'

Donna Baker

The Manitoba Chapter held it's 6th "Western Gatherin'" on July 8th-10th, 2016 at the "Kay-Lee Farms" ranch (Terry & Donna Baker's) just east of Newdale, Manitoba.

Folks began to arrive on Friday evening and some managed to join us around the campfire. Saturday morning was very overcast and it wasn't too long before the clouds opened up and didn't let up until the early evening. We carried on as usual despite the 2 ½ inches of rain. We were very thankful for the indoor area that the Lord enabled us to build a few years ago!!

Paul Unrau started the morning off with a Horsemanship/Cow working Clinic that brought out a few new participants. After lunch, the kids were very excited to participate in the sheep riding, goat tying and goat milking. Thanks to Heath Butler for organizing the chapter's first "Lil Britches Rodeo".

Another first was the "Pool Noodle Jousting" bringing knights from as far as Alberta and prizes (sponsored by Kay-Lee Farms) were handed out for the best costumes.

I barely had enough tables for the spread we had for the Pot "Bless" supper. We were sure blessed... and stuffed, with all the food. Folks really enjoyed the Music Ministry from the Heide Family, a father (Robert from Stonewall) and two Daughters (Becca Butler from Roblin and Sara Marzoff from Inglis)

Then it was off to the movies... we munched on popcorn watching the movie "Woodlawn".

The younger kids were very excited to see the bouncy castle go up after the wiener roast (sponsored by Trevor & Melanie Knight). The horses were saddled up again and a few steers brought into the arena as the riders worked on improving their cattle working skills.

All in all, it was an awesome weekend that brought out over 80 people. Some participated on horseback, some on foot, others were spectators, and the cheering squad, but I'm sure the food, fellowship and ministry was enjoyed by all.

Blessings

Exciting news – the pictures are now all in colour. We have been receiving generous donations towards the magazine allowing us to print the photos in colour. The cost for producing the magazine will be up somewhat but much more attractive to our readers. Thank you everyone.

Website

Thank you to everyone for sending me FCC Events over the last six months. As fall and winter is now upon us the rodeo season is coming to an end. To keep our viewers interested in the web-page it is important to continually update the website. I have been asked by many people about regular Cowboy Church in their area as they would like to attend – I don't have information in regards to this and would like to add it to our website. Please keep sending any information, pictures, poems or stories.

“Loonie and Toonie” continued from Summer FCC 2016. In the last issue I wrote about our twin calves “Loonie and Toonie’ and their journey to an almost certain death. What were we to do – they were dehydrated from no milk and the hot weather was sucking out the fluids we had given them. Their bellies looked like a balloon with the air sucked out. Their tiny ribs stuck out like tynes on a pitch fork. The eyes of a healthy calf are beautiful and bright. Their eyes were sunken and sad. They had forgotten how to suck and were fading fast. We had tried all the tricks of the trade from many years of experience to veterinary suggestions to get them up on their pins. They continued on a downhill slide.

On the Tuesday night we had gone to Bible Study at John and Elonas. We shared the story of “Toonie and Loonie’ hoping for some ideas on how to help them as they have many years of experience with cattle as well. Their help (and the rest of the group) was simply, give it to the Lord and pray. We did. When Neil and I got home we stopped at the corrals before going up to the house. No change. Again we prayed.

I really did not want to go down to the corrals the next morning, but I went with Neil anyway. Off in the far corner of the corral stood Old Mamma with a skinny, scrawny calf on each side. Their mouths were dripping with milk as they sucked away as if nothing had happen. Two days later we decided to move them to a different part of the corral and it was like trying to heard cats. They bucked and ran in every direction except the right one!!!

Praise The Lord. Even though they don't do so with words, animals bring glory and praise to God.

Psalm 24:1(KJV) “The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein.
